

UC SAN DIEGO'S VELOTRIC EBIKE PROGRAM

UC San Diego is thrilled to announce its new **VELOTRIC Ebike Program** to propel sustainable transportation on the campus and its surrounding areas!

WHO IS VELOTRIC?

VELOTRIC is a California-based ebike company with a mission to create safe and high-quality ebikes at an affordable price. Their UL-certified ebikes are designed to be stylish and provide an enjoyable riding experience. With prices starting from just \$1249, VELOTRIC provides top budget-friendly ebike options in the market.

PROGRAM OBJECTIVE

Our goal is to nurture environmentally-friendly transportation by encouraging the adoption and ownership of e-bikes among the students, faculty, and staff at UC San Diego.
